

# Wait List Guidelines

---

The trip that you wanted to get on might be sold out, but that doesn't necessarily mean that you can't still get on the trip. As they say, "stuff happens". We are often able to expand trips and people do cancel. So, we offer our Members the chance to get on a Wait List.

## **Guidelines**

1. Your SJSC Membership must be current to sign-up for the Wait List.
2. To sign-up for the Wait List, submit a completed Trip Registration form along with a \$50 deposit.
3. Both items above must be met to be placed on the Wait List and you will be placed on the Wait List in the order that these conditions are met.
4. Telling the Trip Leader that you want to get on the Wait List does not meet the requirements. If the Trip Leader receives a Completed Registration form and a \$50 payment from another current Member before they receive your registration form and payment, that Member is on the list before you.
5. The \$50 deposit will be refunded if the Member notifies the Trip Leader that they would like to be removed from the Wait List or if there are no openings on the trip when it departs. Refunds will be mailed within 60 days of processing.
6. If you are offered a spot on the trip and do not take it and have not notified the Trip Leader that you would like your name removed from the Wait List you will forfeit the \$50 deposit.
7. If a couple is on the Wait List, and one place opens up, the couple may opt to move down on the list allowing a single member to take the single place and still receive a full refund if two places are not available at the time the trip leaves.
