COVID Requirements

Masks Required for All

AMC requires each guest to wear a mask that fully covers their nose and mouth, fits closely over their cheeks and chin, and is comfortably secured with ear loops or ties. For this reason, neck gaiters, open-chin bandanas and masks with vents, valves or holes are unacceptable face coverings. If needed, masks are available to purchase for just \$1.

Because we care about your health, all guests are required to wear a mask at all times, before, during and after the movie, unless actively enjoying food or drinks in the auditorium.

Social Distancing Standards

Please remember to maintain distance before, during and after the movie. Follow the directional signs and the reminders posted throughout the theatre for guidance.

In auditoriums with AMC Signature Recliners, our new ticketing technology will block the seats on either side of your selection, and there is already enough space between rows to allow for social distancing. In auditoriums with traditional seating, our technology will block the seats surrounding your selection. In auditoriums that do not offer reserved seating, please make sure to leave adequate distance between yourself and other guests.
