Madonna di Campiglio, Italy & London  
March 8 – 19, 2019**

**\$2525 double occupancy early bird  
\$2655 double occupancy regular price**

We hope you will join us for an incredible week exploring **Madonna di Campiglio (IT)**, a charming and elegant town nestling at an altitude of 1550 meters in the stupendous valley between the Brenta Dolomites and the Alpine glaciers of Adamello and Presanella. Many consider “**Madonna**”, perhaps more than Cortina, the most glamorous and truly Italian resort in the Alps. The variety of terrain to be found in the surrounding mountains make it possible to ski over countless kilometers of runs, up to an altitude of 2600 meters on slopes of every degree of difficulty, including some tremendous “off-piste” possibilities. Today the **Ski Area Top Dolomites** boasts 57 lifts and 150 km of ski runs, with a capacity of more than 31,000 people per hour. What’s more, you can set out from the center of the town and return there without ever removing your skis! For those who do not ski, there is snowshoeing, dog-sledding, cross-country skiing and winter hikes to enjoy in addition to the lovely shops, cafés and bars. It is also possible to take a train excursion to the nearby cities of Trento or Bergamo for the day.

Set in the centre of **Madonna di Campiglio**, the family owned and operated **Hotel Ideal\*\*\*\*** offers a great location for our week. The hotel is within easy walking distance of all shops, bars, restaurants and nightlife. At the hotel's own spa, you can relax in the Finnish sauna, countercurrent pool and hot tub. Other facilities include sensory showers, an Kneipp circuit and a hi-tech gym. Specialized massage treatments are available for an extra charge. Most rooms feature a mountain-view balcony with carpet and/or parquet floors, WiFi and a private bathroom with hairdryer and toiletries. The cozy bar that is located right off the ski room serves up some of best **Bombardini** to be had anywhere (if you have ever been to Italy with us, you know how delicious Bombardini are!), and there is plenty of comfy seating in the adjoining lounge! Delicious local specialties are served in the lovely restaurant, which also boasts an extensive wine list. A breakfast buffet is available each morning, with freshly baked rolls and pastries, cold meats and cheeses, yogurts, eggs, fruit and more. In the winter, a heated ski room is provided. The hotel offers a convenient door to door shuttle service to the town centre ski lifts.

**LONDON-** Following our ski week, we will fly to London and stay 3-nights in at **K+K Hotel George**, located near the Olympia Exhibition Centre and the Earls Court Underground Station. The hotel features a restaurant, bar and free WiFi throughout the property. There is a sun terrace and sauna, and guests can enjoy an evening meal in the well-regarded restaurant. Each room comes with a TV with satellite channels and a private bathroom. Additional amenities include free toiletries and a hairdryer. You will find a 24-hour front desk at the property.
